STAIN-LESS STEEL

*Sink that is
Practical & Stylish*

BASE BEHIND BUSINESS

“Strength and Growth come only through continues effort and struggle...”

It all started after 1957 - the very beginning of an upcoming organization. From 1978 with manufacturing and introducing of kitchen sinks, dairy equipment, sheet metal industrial components and kitchenware all under the brand of 

Since then has been no looking back, as regard for quality paid-off to the company. Today the company enjoys a major market share in terms of customer satisfaction.

The company has a team of dedicated technical and qualified professionals catering to the needs of the market. The company has not only diversified productions but also widened the product range as well as results in offering a good product line to its consumers.

The ultimate aim of the company is to manufacture quality products and make  a household name.

Company's mantra from early time till now is the same -

**TO PROVIDE THE VALUE FOR MONEY TO THE CUSTOMER AND
MAKING THEM DELIGHTED, LEADING TO FULL CUSTOMER
SATISFACTION.**
